

Justin's Fact Sheet

OVERVIEW	Founded in 2004 by Justin Gold, Justin's makes naturally delicious, nut butters, nut butter snacks and organic nut butter cups. All products are made with high-quality ingredients that deliver great taste, unique texture and convenient nutrition.
MISSION	Driven by a passion for exceptional flavor, unique texture and high-quality ingredients, Justin's products are made with mindfully-sourced ingredients. Justin's is not only dedicated to providing superior products, but also actively engages in corporate social responsibility efforts, focusing on sustainable packaging and ingredients, pollinator conservation, and hunger relief. Justin's believes that no matter what their size, companies should always be grateful to their customers, employees and community.
NEW PRODUCTS	<p>Brand new as of January 2020, Justin's Dark Chocolate Crispy Peanut Butter Cups join the brand's confection line. This crispy-creamy-crunchy treat is a new way for people to indulge with the addition of puffed quinoa. Why quinoa? It's a simple, yet innovative, twist that delivers the nostalgic crunch that consumers love, while taking Justin's Peanut Butter Cups to the next level.</p> <p>In addition to this delightful sweet offering, Justin's is entering the refrigerated bar category with the introduction of a brand-new snack to its portfolio: Justin's Refrigerated Almond Butter Protein Bar. Made with Justin's one-of-a-kind almond butter, this snack is packed with 9-10g of plant-based protein and has 40% less sugar than the leading refrigerated bars¹. These new bars are perfect for on-the-go or straight out of the fridge. Justin's Almond Butter Protein Bars are also Non-GMO Project Verified, gluten-free, soy-free, dairy-free and vegan-friendly.</p> <p>New Almond Butter Protein Bar varieties:</p> <ul style="list-style-type: none">• Almond Butter Protein Bar <i>*Late 2020</i>• Honey Almond Butter Protein Bar <i>*Late 2020</i>• Chocolate Chip Almond Butter Protein Bar <i>*Late 2020</i>
