Confections

Media Fact Sheet

Justin's crafts USDA certified organic sweets to support healthier lifestyles, including a variety of nut butter cups and chocolate candy pieces in single-serve and multi-serve package options to satisfy all sweet snacking cravings. Justin's was the first nut butter company to market an organic peanut butter cup in its most nostalgic form—a 2-cup pack—and recently launched Chocolate Candy Pieces in two varieties, which are USDA organic certified, use Rainforest Alliance Certified cocoa and are Non-GMO Project Verified.

The company is not only dedicated to providing superior products, but also actively engages in corporate social responsibility efforts each year, focusing on sustainable packaging and ingredients, pollinator conservation and hunger relief.
